AUDIENCE: BUSINESS LEADERS/EMPLOYERS

What Employees Want:

The Five T's of Effective People Management

Knowing the five "T" factors that directly impact employees' engagement is critical to every manager. This powerful and punchy presentation speaks from the employee's point of view and helps leaders take a hard look at what they can do better if they want to encourage positive team growth and overall productivity.

The Top 5 Hiring Mistakes and How to Avoid Them

Every leader in business is faced with the critical decision of hiring new people. A hiring mistake can be costly. Turnover in businesses that exceeds 10% is a profit leak you can't afford to ignore. This presentation will give you what you need to rapidly improve your hiring practices.

Employee Engagement- fact or fad?

The investment into your people is a critical function of business. Much attention is being given to the link between employee engagement and organizational success and profitability. But is it possible for business leaders to increase engagement? Learn about the flipside of the engagement issue and what you can (and can't) do about engagement in your organization.

AUDIENCE: INDIVIDUALS (Employees or Self Employed)

Why Successful People are a Minority

People who fail to meet their own expectations, goals and desires are the majority. Yet success is far more achievable than the average person realizes. In the powerful presentation, you will learn five keys to taking center stage in your life, and succeeding.

The Top 5 Stupid Mistakes Job Hunters Make

When looking for work, even the most seasoned professional falls into the trap of these five mistakes. Come and learn what they are, how to avoid them, and in the process strengthen and focus your own job search.

Will the real people please stand up!

In a world filled with fake, being the genuine *you* is a critical aspect of your personal brand. In this short talk, you will learn a few key indicators of lack of authenticity in your life, and how to correct it.

You are the Boss of You - Get good at it!

Based on the e-book, this presentation gives you a solid overview of the *Five Simple Steps to being the Boss of You*. YOU are the common denominator of your life - so if you're not happy with things, you need to **ReThink YOU**.
